

An opportunity for you to report on the global energy transition!

**BETD
MEDIA
FELLOW
SHIP.23**

The BETD Media Fellowship is an official Side Event of the Berlin Energy Transition Dialogue (#betd23, energydialogue.berlin), a high-level conference on the energy transition, taking place on 28-29 March 2023. Reporting on and raising awareness about the international energy transition, renewable energies and energy efficiency are crucial in order to meet the targets set by the Paris Climate Agreement.

Apply now

fellows.energydialogue.berlin

**Deadline for application is
on January 15th 2023**

BETD.23 Media Fellowship

26 March - 01 April 2023

Berlin, Germany

Up to 15 seats

The following program highlights will be accompanied by plenty of networking opportunities:

- travel & accomodation paid trip to Berlin for the BETD and Berlin Energy Week
- active participation in the BETD.23
- press opportunities with high-level speakers, state representatives & other VIPs
- additional opportunity to participate in BETD side events such as guided tours, receptions, business-to-government formats & workshops
- in-debth insight behind the scenes of the global energy transition
- community building with former BETD media fellows
- platform for all the media fellows articles about BETD.23
